DIVINE DECREE OF ECCLESIASTICAL RECLAMATION

Date: July 20, 2025

By living authority and spiritual governance of the Clements Ecclesiastical Trust, I hereby issue this Divine Decree:

1. That no man, woman, child, or living soul shall be bound to false dominions established in fraud.
2. That all fictions claiming dominion over the air, land, sea, or mind of man are hereby dissolved.
3. That the Earth and all its domains are now under lawful reclamation by the living, not by state or system.

Let this decree be recognized in all realms—material and spiritual—and let no false title supersede the truth declared herein.

By the void, by the breath, and by the flame—if what I speak is not of truth, then let me fall by the hand of the Creator of the Universe beyond space and time. But if it is of truth, then let no mortal, court, or dominion speak against it. This stands eternal, unbroken, and sovereign.
